RE: 3:18-CR-19 CERTIFIED Copy of Oath of Office
CERTIFIED Copy of Bond

Dear Judge Shirley,
I'm writing this letter in propria persona,
Reserving all my rights, and as third party
intervener for the Defendant MARILYN YVETTE
Cook.

I have made several request since 3/26/18
for a Certified Copy of your Oath of office and
a Certified Copy of your Bond.
The first Request was made to Attorney
Dana Cole, the recent request was

made to Attorney Robert R. Kentry and
the thus request was made to the United
States District Court, Eastern District of
Tennessee at Knoxville Clerk of Court.
My request isn't unreasonable, your
oath of office is evidence of your Contract
with the people, to be more specific with
me on the private side. I want
you to take Judicial Notice of your
Contract with me and I expect the terms
of that Contract to be followed.
Your Bond is evidence of the Limited
Liability the Judge (PERSON) has in
public when dealing with citizens and
Residents that are either owners or Controlled
by the Corporations.
It doesn't limit the private liability
that you have when dealing with the people,
to be specific me on the private side.
Since there is no money to pay me if I'm
damaged by your actions, I need to know
if your Bond will withstand the Commercial
Liability of the Charges (3:18-CR-19) your
Court entered into 3/20/18, because I
will have to be satisfied with possible payment
to the strawman MARTLYN YUETTE COOK

Just in Case there are damages; but this isn't the reason
I'm bringing the bond into the issue.

The reason is to motivate risk management if necessary
that I have been damaged by one of its insured persons.
This is not the bond for the woman but for the judge, the
woman being business as "JUDGE" for the public
but can also come under the private rules of equity,
which is broadly defined as "What is Right." It is
right for you to recognize me as a Creditor,
especially if I'm performing as a Creditor while
being warehoused under horrible circumstances
in the Knox Co. Jail. (1) I have accepted the presentment
for Value and returned it. (2) I have exchanged my
exemption for discharge of the charge. (3) I want
settlement and closure. (4) I'm not disputing the facts.
(5) I requested an appearance Bond at no cost to me.
(6) I'm not the party dishonoring the process.

There is no controversy and to date I haven't
received an Appearance Bond at no cost to me nor
Certified copies of your oath of office or Bond.

I am one of the people, a Creditor with priority over
fictions. I look forward to receiving the requested
Certified Copies soon. In advance thank you for
your cooperation.

Sincerely,

By: Marilyn Powell Cook
